Application for Underrepresented in Medicine Visiting Scholars Program (URiM)

Thank you for your interest in the Underrepresented in Medicine Visiting Scholars program. URiM applications will be accepted and reviewed on a rolling basis. Applicants not selected for the URiM scholarship may still be accepted as a visiting medical student for elective credit.

Personal Information

Name

Phone

Email

Hometown (city, state, or country)

How do you identify as an underrepresented student?

I self-identify as

Education

Medical School

Step I Score

Expected Graduation Date

Program Information

Which residency program are you planning to apply to for a rotation?

Essay

In 500 words or less, describe how challenges you've faced as an underrepresented person influenced the type of physician you inspire to become. Please also explain, in two or three sentences, how this scholarship will impact your educational goals.
