Find Convenient Medical Care Fast – Evenings and Weekends Too!

Whether you sprained an ankle or just feel under the weather, take comfort in knowing there's a Lakeland HealthCare facility providing medical care close to home. Our dedicated team of physicians, nurses, and healthcare professionals look forward to caring for you and your family.

Medical problems don't always happen during office hours. Lakeland HealthCare's Walk-in Clinics are for illnesses that cannot wait until the next business day, but may not require the full resources of a hospital Emergency Department.

Whether you live here all year or are just visiting, Lakeland HealthCare Walk-in Clinics are here to serve you. Open six to seven days a week, all three locations have easy access to:

- Diagnostic Imaging/X-ray Services
- Laboratory Services
- Occupational Medicine for Injured Workers
- Primary Care

Locations (no appointment necessary)
